

# Inspiring water fashion.

Exchange whit water, rather than dominate  
it and make a friend whit water and make  
its contribution become your enjoyment.  
listening,  
whisper and sounds  
of nature will naturally bring  
a new move while  
experiencing the skin being  
watered in a lightsome manner.

Verona (Pazh) is the best manufacturer of bathtubs, jacuzzis, shower cabins, shower panels, shower heads, etc. in the province. It is distinguished from others due to having the highest level of quality, the most variety in design and size, offering the most different facilities in products, the extent of the distribution network and after-sales services.

Verona has been able to be the leader of this industry in Iran by choosing expert personnel, contracting with the best parts makers, quality in sync with modern technology and offering an expensive and valuable commitment, namely warranty and after-sales service. All the company's products are one of the best anti-fat and anti-bacterial ABC nano acrylic sheets, all the products are available in three colors, golden, silver and white.

A graphic of a blue water splash or wave that flows from the left side of the page, passing behind the main text. The splash is composed of several overlapping, semi-transparent blue layers, creating a sense of motion and depth. The water's surface is textured with ripples and highlights, giving it a realistic appearance. The splash starts wide on the left and tapers slightly as it moves towards the right, where it ends behind the word 'Series'.
